

# COURTCALL VIDEO P2P HOST: ROOM CONTROLS

## MISCELLANEOUS ROOM CONTROLS

The controls tab allows you to start and stop recording, invite a one-time guest, and end a meeting to clear the room status.

**RECORDING**  
Press Start Recording to begin recording the conference. When finished, press Stop Recording.  
\*Recording is at an additional cost. See your CourtCall Representative for more information.

**INVITE**  
Press Invite to create a one-time use guest link in your conference.

**END MEETING**  
Press End Meeting to disconnect all users, including hosts, from the conference.

**BRIDGE STATUS**  
Bridge Status should be green when connected properly. If Bridge Status is red, press the icon once to initiate the bridge.
