

COURTCALL VIDEO HOST: CALENDER OVERVIEW

GAVEL TAB: CALENDAR AND PARTICIPANT VIEW

The gavel tab shows all scheduled CourtCall cases and the participants that are scheduled to appear for each case. Participant statuses change to show participants who are connected and again to show those who are live.

Case name and proceeding type **CLICK HERE TO EXPAND AND VIEW PARTICIPANTS (SCHEDULED AND CONNECTED)**

Case time and number. **The case time and number will highlight in GREEN when the case is LIVE.**

This icon appears to show which cases have connected participants.

Connected participants show up in **Green** and video/audio icons show current status (muted, un-muted, enabled. Disabled).

Participants in grey are scheduled, but not connected. Video/audio icons show as grey, as well.

Cases can be collapsed to only show case information (and hide all participant information)

You may expand the control panel by dragging out from the lower right corner.
